

Dielman Kolb Family Research Resources (Part 3)

Hi KKC Extended Family,

I hadn't intended in doing a part 3, but here it goes.

After my last post, Daryl Culp immediately responded noting the Kulp Family Record Book (Genealogical Reference Record) and Reunion Bulletins to 1963 were online at the Online Archives (link below):

[Genealogical reference record of the descendants of Dielman Kolb, together with descendants of other ancestors bearing the name Kolb, Kulp, and Culp : Schlotterer, Warren K : Free Download, Borrow, and Streaming : Internet Archive](#)

The Online Archives are an excellent resource to search for documents, like family histories, out of print publications, and so forth.

But there are many other resources, just do a search and you will be surprised what comes up.

The Allen County (Indiana) Public Library is another resource and they have uploaded many documents to the Internet Archive. If you know of any other resources, please let me know.

My goal is to put *Kulp Family Record Book* in its entirety on the website. I will also use it in future posts to highlight different aspects of the reunion and the KKC family. Please continue to send your comments, questions and requests for topics!

Thanks,

Jack Oberholtzer
Secretary, Kolb, Kulp, Culp Family Association
