

### The Arrival of the Kolbs in Pennsylvania!

Hi KKC Extended Family,

**SAVE THE DATE:** We are just 3 months shy of our next reunion on Sunday 11 June 2023 at the Lower Skippack Mennonite Church Social Hall at 12:30. More Later.

The **Kulp Family Record Book of 1936** is a great resource of information and I am using it's content as a basis for much of the website rework. Buried within it on pages 20-21 is information and a chart of the known Kolb arrivals to Pennsylvania which I have reproduced below:

(In [Blue](#) added after this was sent out)

We have devoted much time and effort talking about the Dielman Kolb descendants that we cannot forget the many others who came after them. Glenn Landis devoted pages on the website to others who settled in Southeastern Pennsylvania (\* above), which included Hans Casper Kolb and Mathias Kolb. He also wrote about the descendants of Johannes Adam Kolb of

Mechesheim settling in Montgomery County. Does anyone know if this is the George Michael Kolb Line or another one?

So, **WHO** are you related to? Please let me know, as I am interested in learning more about these other families.

More later....Thanks!
